

UNITED STATES DISTRICT COURT
DISTRICT OF NEVADA

UNITED STATES OF AMERICA,

Plaintiff(s),

vs.

BING HAN,

Defendant(s).

Case No. 2:15-cr-00069-JCM-NJK

ORDER

(Docket No. 61)

Pending before the Court is a motion to extend the Government's deadline to respond to the pending motion to suppress. *See* Docket No. 61. As an initial matter, the Government asserts that the parties already received an extension of that deadline through a stipulation and order extending the trial date and extending generally the motions deadline and related briefing schedule. *See id.* at 2. The undersigned is aware that it is the general practice in this District to extend the trial date and motions deadline together; but when a motion has already been filed, counsel should file a separate stipulation specifically directed to extending the briefing schedule on that motion. *Cf.* Special Order No. 109, Section III.F.4 ("A separate document must be filed for each type of document or purpose"). Doing so is especially important when the assigned magistrate judge is handling the motion for which the extension is sought, while the stipulation to extend trial dates is handled by the assigned district judge.

Turning to the pending motion for extension, it is hereby **GRANTED**. The Government shall file its response to the pending motion to suppress no later than July 28, 2015.

IT IS SO ORDERED.

DATED: July 22, 2015

 NANCY J. KOPPE
 United States Magistrate Judge
